Features

Slim · Powerful · Rugged

Light Industrial RFID Device, Reduce Work Fatigue

- Slim
- 465g
- Lightest

Advanced Multi-tag Anti-collision Algorithm, Leading Reading Performance

RFID tag reading > 200pcs/s

**Better RFID Performance
Long Distance Reading up to 15m**

15m

Slim but Rugged, Industrial Design Standards, Durable

- 1.5m drop resistance
- IP65 sealing grade, reliable and durable.

2 Configuration

Advanced Platform · Rich Functions

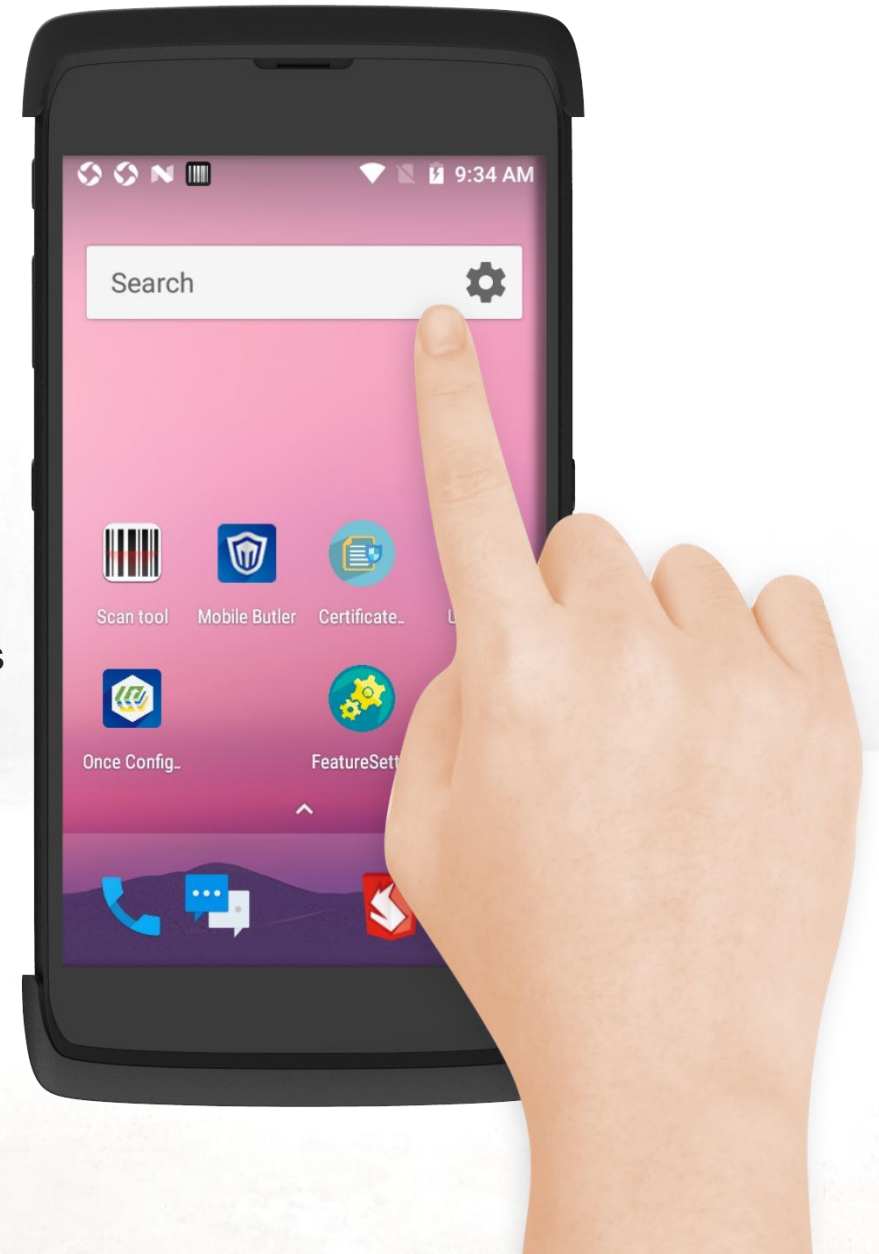

Advanced Platform Makes Smooth Operation

- Android 9.0 OS, smooth, safe, smart, convenient
- 8-core 1.8GHz CPU, better operation

5.2 " Full Touch Screen Excellent Visual Experience & Easy Operation

- 5.2", 1920*1080 resolution, bring excellent visual experiences
- Full Touch Screen design, easier operation

**Slim Grip Design,
Hold with One Hand, Smooth Operation**

Real-time Data Transmission, Fast and Stable

- Support 2.4G/5G WIFI communication. Meet the requirements of channel interference, fast reconnection & fast roaming.
- Support 4G Full Netcom. Providing speed and stable data transmission for outdoor applications

3-in-1 Positioning Module Ensures Fast & High Accuracy Location Service

- Support Beidou, GLONASS, GPS;
- Real-time record of outdoor operation track and ensure personnel safety.

Detachable Battery, 24 Hours of Continuous Work

- Detachable 6400mAh large capacity battery.
- Battery hot swap without work interruption and data loss.

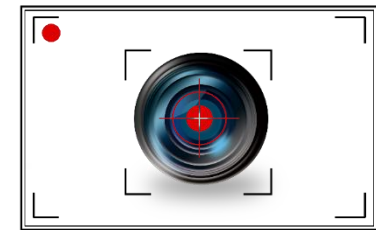

Rich Functions, Build All-around RFID Handheld Reader

- Support NFC all protocols
- Support UHF/HF reading

Scan engine integrated, realize barcode & RFID capture in one device

- Rear 13M auto-focus camera
- Front 5M camera (Optional)
- LED flash, quick picture snap

Model Selection & Accessories

Right Model Selection

Type	Function	Code	Configuration
Standard	CPU	1.8Q8	8 core 1.8GHz
	OS	9.0	Android 9.0
	RAM/ROM	4/64	RAM 4G ROM 64G
	UHF	U8/2	R2000 module
	Scan engine	X3(MR-U)	2D image scanning engine
	WWAN	G	4G
	Camera	C13/5	1300M rear+500M front cameras
	Antenna	A4	4dbi
Optional	NFC	NFC	NFC
	Fingerprint	F	Fingerprint module
	PSAM	P	PSAM module
